DESCRIPTION –

was very well understood by Adhyaaya and respawn is brought to cater this.

PUBG: (25-27th Feb)

- 1) PUBG will be played only on mobile. Use of emulators and sport gears will not be allowed.
- 2) The map for all the PUBG matches will be Erangel.
- 3) The team that survives till the last will be considered as the winning team.
- 4) Every gaming match played under this event is a knock out match.
- 5) In Classic + Quick Match mode, a quick match would be held for each participating team and winner will be decided by a final quick match between winner of classic match + winner of quick match.

CS-GO: (25th February)

- 1) In the beginning of the match both team's captains will be called up for the toss. The toss winning team will be given two choices of either to select Map or to select the side they are willing to play first (CT or T)
- 2) The maps included are: Inferno, Dust II, Mirage, Overpass and Nuke
- 3) Finals will be a best out of 3 matches system.
- 4) Matches will be of knockout system.

FIFA-19: (27th February)

- 1) In FIFA 19 each match will be of 10 minutes i.e. each half will be of 5 minutes.
- 2) Winning team will qualify for further matches and the losing team will be knocked out.
