VAAD-VIVAAD

OVERVIEW –

Vaad Vivaad is an oxford style debate competition consisting of 4 rounds. This event will help you to develop new ideas, defend your positions and attacking opponent's position.

DESCRIPTION –

FIRST ROUND –

THE MOTION:

- In first round there will be team or individual addressing whether they are with the motion or they are against the motion and they can't interrupt each other.
- In this round both teams will be given 3 minutes to justify their motion.

SECOND ROUND –

REBUTTAL AND REFUTATION:

In this round there will be an argument and each team will be given a specific time to make their statements and to refute.

THIRD ROUND –

Q AND A:

In this round, other participants will ask questions to the teams about their respective side of the motion.

FOURTH ROUND –

CONCLUSIVE STATEMENT:

In this round both teams will be giving their closing summary statement.

TOPICS –

You have to choose one of the following topics:

- Can Artificial Intelligence replace Human Intelligence?
- Is CAA, NRC, NPR good for India or not?
- Examination – has it killed education?
- Money spent on space exploration can be better used on reducing poverty on earth.
- Can science and religion coexist?

NOTE: Selection would be done on the basis of points given by the judge or the jury

[No Language Barrier]
